Beautiful family home at Thunderlake. This large home has been well maintained over the years and could be enjoyed as is or easily modernized to suit anyone's personal style. The main floor features an absolutely massive great room partially separated by a beautiful fireplace feature wall. The kitchen is well equipped and does have room for a breakfast table as well. Also on the main floor is the master bedroom with walk through closet and ensuite. The basement is brightly lit by large windows and features three additional bedrooms, a bathroom and laundry area. The yard is plenty big without becoming a burden. There is also room to add a garage in the future. Come and take a look!
