Welcome to your ideal starter home or smart upgrade! This fully finished bi-level offers the full package: a walk-up basement, double finished garage, and a layout that's as functional as it is inviting. Upstairs features vaulted ceilings, laminate flooring, and an open-concept design perfect for both daily life and weekend hosting. Kitchen, dining & living areas flow effortlessly, while the dining room opens to a spacious deck with a clear view of the Powerhouse Campus. Fire up the BBQ (natural gas hookup available) and enjoy those peaceful evenings in style. The primary bedroom includes a large walk-in closet, and the roomy front entryway has space for the whole family to kick off their boots without a traffic jam. Downstairs, the bright walk-up basement features two more bedrooms—one with a walk-in closet—a cozy family room with in-floor heating, 9' ceilings, and a dry bar with a fridge that's ready for movie nights, game days, or impromptu happy hours.
